Dear Members of the İstinye Family,

Welcome to the 6th issue of ISU Library Bulletin.

I would like to welcome our students who enrolled in İstinye University in the 2022-2023 academic year, and I wish each of them an educational life full of success. ISU Library's support will always be with you in meeting your information needs throughout your education life. You can find more information about the facilities provided by the ISU Library on the Library's website and directory.

We have left behind an important and proud month for our history. On the 100th anniversary of the August 30 Victory Day, I commemorate with respect and gratitude all our martyrs and veterans, especially the founder of our Republic, Mustafa Kemal Atatürk, who fought for this country at the cost of their lives. Happy August 30 Victory Day.

In the 6th issue of the ISU Library Bulletin, we have made suggestions that we believe will be of interest to you, in the corner of the news from us and the information about the library services and the librarian's suggestions.

I wish success to all our academic and administrative staff who continue their preparations for the academic term, and I would like to reiterate that ISU Libraries are with you during and after this process.

Kind regards,

Bahar Biçen Aras
Library Director

NECATİ CUMALI, WHO IS THE AUTHOR OF THE STORY OF THE FIRST INTERNATIONAL AWARD-WINNING FILM OF TURKISH CINEMA, IS ON THE "100 TURKISH LITERARY MAN" LIST OF THE MINISTRY OF NATIONAL EDUCATION.

Necati Cumalı directed his poems under the influence of Orhan Veli Kanık, Oktay Rifat, Cahit Sıtkı Tarancı and Nurullah Ataç, whom he met in the Varlık Magazine in 1940. Necati Cumalı, whose poems have been published in various magazines and newspapers since 1945, started to write stories in the same year, and shared the same house with Cahit Sıtkı Tarancı in Ankara for a while.

Necati Cumalı's stories have been transferred to the silver screen by Turkish cinema. "Susuz Yaz", the first international award-winning film of Turkish cinema, was directed by Metin Erksan in 1963. Hülya Koçyiğit was accompanied by Erol Taş and Ulvi Doğan in the lead roles. "Susuz Summer" was awarded the Golden Bear in the 'Best Film' category at the Berlin Film Festival.

OUR BOOK SUGGESTIONS FOR AUGUST

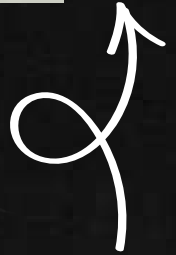

Isn't it the soul that enriches a person anyway?

This is love, it cannot be forced out of the heart.

10 THINGS I HATE ABOUT YOU

It is a 1999 romantic comedy film directed by Gil Junger. The film stars Heath Ledger, Julia Stiles and Joseph Gordon-Levitt. Karen McCullah Lutz and Kirsten Smith wrote the screenplay for the film, adapted from William Shakespeare's "The Taming of the Shrew".

LIBRARIAN RECOMMENDS

TOY MUSEUM

“I had this!”

Istanbul Toy Museum was founded on April 23, 2005 by Belgin Akin and poet/writer Sunay Akin. The museum, where the most popular examples of toy history from the 1700s to the present are exhibited, is located in a historical mansion.

Istanbul Toy Museum, which was established with toys that Sunay Akin bought from antique shops and auctions in more than 40 countries in 20 years, presents world history to its visitors with a more fun and catchy learning method.

The decoration of the museum was designed with this in mind by the stage design artist Ayhan Doğan. The museum is a first in the world as it was opened by a poet and designed by a stage design artist.

CAPITAL OF TOY MUSEUMS

The TOYCO-2012 Istanbul (European Association of Toy and Children's Museums) meeting, which was held by the Istanbul Toy Museum in November 2012 and a first in the world, was held in Turkiye for the first time. In this way, the Istanbul Toy Museum became a pioneer in the establishment of the association of children's and toy museums in the world, and gave Istanbul the title of "capital of toy museums".
