At the bottom, there is a disclaimer: "By using this site you agree to us setting cookies. Please see our [privacy and cookie information](#)." Below that, it says "Powered by OpenAthens" with the OpenAthens logo.

After clicking on the "Off-Campus Access" option, select the link you want to log into on the screen that opens.

On the screen that opens, you must write your corporate e-mail address (**@istinye.edu.tr**, **@stu.istinye.edu.tr**) as the "User Name" and your corporate e-mail password in the password section.

NOTE: If you log in to your off-campus access account once through your web browser, you will not need to log in again in other databases you want to do search, unless you close your web browser.
